Web Development, Python, Java,
JavaScript, Cloud architecture,
SQL/NoSQL databases

Hello, my name is Henry Howe. I am twenty-nine years old, and I enjoy building software.

Experience

2013–2019

Dishwasher/Line Cook
Kitchen
Top O' the River, Waffle House, others

2019–2022

Landscaper
Cutting trees
Self-Employed

2022–Present

Freelance Web Developer
Temp
Anyone with money

Education

2013

Guntersville, Alabama, USA

High school Diploma

2022

Remote Bootcamp course (ED X)
Online web-development course

Activities

When I was in high school, I helped work on a popular RuneScape private server which was entirely in java. When I was a kid, I was heavily into martial arts, so I do not have a problem taking criticism to improve my craft. I do legitimately enjoy building software and look forward to the challenges this position would bring.
