Professional Profile

Hello, my name is Henry Howe. I am an entry level applicant. I am looking forward to my new career, and the new industry I will be working in.

Relevant Skills

- Python
- Python Libraries and Frameworks (NumPy, flask, and Django)
- JavaScript
- JavaScript Libraries and Frameworks (Node, React, and Express)
  - Java
  - SQL Databases (MySQL, PostgreSQL)
  - NoSQL Databases (MongoDB)
  - C#

Experience

No professional experience; I am currently an entry level applicant. I only have worked on academic and personal projects so far. I am currently looking forward to the humbling learning experience software engineering at the professional level will bring.

Education

Certificate for Full Stack Web Development

Georgia Tech Boot Camps

Online

June 2022 – December 2022
